

## Report of the Working Group on Social and Legal System

We organized two paper sessions in Toulouse 2013, in which twelve papers were presented. In Yokohama 2014, we organized two paper sessions in which five papers will be presented. As other WGs, we tend to have an increasing number of paper proposals at an ISA World Congress.

A book with the papers presented in Portuguese in Toulouse is about to be published through Appris Editora in Brazil.

The present term of the WG chair expires in July 2014. Our WG elected Lucas Konzen and Germano Schwartz as our WG Co-chairs for the term 2014 to 2018. We plan to organize a workshop of the WG in near future.
